Product Description

This is the completely-updated 2nd Edition of Peggie Hall's famous book "Get Rid of Boat Odors." "The New Get Rid of Boat Odors, 2nd ed." by Peggie Hall, known by many of her fans as "The Headmistress," will teach you how to eliminate annoying odors on your boat by treating the source instead of perfuming the symptoms. It covers all aspects of marine sanitation as well as other odor-causing problems like dirty bilge areas in an easy to understand format. The focus is to instruct the reader on how to resolve odor problems, not just disguise them. In addition there are extensive appendices providing detailed contact information on equipment manufacturers and schematics of most major brands and

models of marine toilets that will allow the reader to make necessary repairs with a high degree of confidence. This second edition contains many new schematics not found in the original book. "The New Get Rid of Boat Odors" is a book for boat owners or professionals in the boat industry alike. It's the most comprehensive guide available to help solve the widespread problem of annoying odors on boats.
